Work Experience

Line Cook

2018-Present

Swiss Chalet, Kingston, ON

- Precisely produced approximately \$2500 worth of orders during a rush single handedly in order to maintain customer satisfaction.
- Calmly maintained a welcoming work environment over approximately 4 months during a massive disagreement between coworkers, management, our union, and the owner, leading to me being considered for a promotion.
- Skilfully handled high stress situations for up to 9 hours in a row to ensure a better experience for my co-workers and the customers.
- Selflessly helped on days off to fill in for co-workers up to 7 times in a month in order to provide the best service for our customers and a comfortable work experience for my co-workers.

Stock Clerk (Placement)

2017-2018

Staples, Kingston, ON

- Respectfully helped up to 50 customers during a 3-hour shift locate products, and provided recommendations, to guarantee the customer received the best possible service and the products they need.
- Securely handled over \$2000 worth of products certifying safe, and efficient transportation and storage to be sold at a later date.
- Capably used machinery including Vertical Lifts, Pallet Jacks, and Inventory Scanners in excess of 20 times a day leading to efficient product retrieval, storage, and organization as well as minimizing customer wait times.
